Kenmore District Playgroup is a parent led group run independently from our Kindergarten groups and has been designed as a regular community-based opportunity for parents and their children to play, explore, sing dance and socialize, surrounded by our beautiful and safe playgrounds with quality toys and equipment.

One of our wonderful Kindergarten educators will be in attendance to facilitate activities and make you and your children for welcome and engaged. Playgroup is great for children between the ages of 0 and 4 years.

This is a very popular group, so please contact Gilly on 3378 2068 or email admin@kdkindy.com.au at your earliest convenience. Waitlists are available if our current group is at capacity.
